

EXHIBIT 6.20. “Monsy and Michelle” Writing Prompt

In the story “Monsy and Michelle,” Monsy tells of her experience with prejudice and explains what she learned from this experience. In your essay, describe Monsy’s views on prejudice. To what extent do you agree with Monsy’s opinions? To develop your position, be sure to write specific examples from your own experiences, your observations of others, or any of your reading, including this story.
