

EXHIBIT 7.1. Jigsaw Instructions

Your group is responsible for preparing a one-to-two minute presentation about your page in the book.

You must create a poster, and use index cards. Everyone must speak in the presentation.

Only put key words and draw a picture on the poster to help you in your presentation. Do not put everything you are going to say on the poster! You can use your index cards to remind you of what to say.

Your presentation must include:

- Three important words from the page and what they mean - in your own words.
- A one-sentence summary of the page.
- Three other important facts from the page.
- A picture you draw that helps people understand the page.

You must choose at least one of these additional options. You will receive extra credit if you do more than one:

- Use your phone to look up more information about events or people talked about on your page and add them to your presentation and poster.
- Act out an event from the page.
- Connect something from the page to another thing we learned in a previous chapter.
