

## **EXHIBIT 6.10. Problem Dialogue**

*Student 1:* I hate going to the bathrooms at school. They are so dirty!

*Student 2:* I know—the floors are disgusting and the sinks look like they haven't been cleaned in a long time.

*Student 1:* The soap dispenser is empty, and there aren't any paper towels.

*Student 2:* How are we supposed to wash our hands and stop the spread of germs if we don't have any soap?

*Student 1:* What can we do about it? Should we tell our teacher?

*Student 2:* I think we should talk to our teacher and the principal. This is a big problem and we need help.

*Student 1:* You're right. We have to do something if we want to make a change.

*Student 2:* Come on—let's go talk to the teacher.

*Student 1:* Okay, maybe she can tell us how to meet with the principal.

*Student 2:* Good idea! Let's go!
