

## EXHIBIT 5.16. Listening Strategies Practice Sheet

Title of listening text:

Type of text:

Before listening:

What do I **already know** about this topic and this type of text?

What **predictions** can I make based on the title and the type of text?

Listening strategies I can use:

visualizing

making predictions

asking questions

using context clues to determine word meanings

activating prior knowledge

summarizing

monitoring your attention and focus during the listening task

After listening:

Which strategy did I use to help me? How did it help?

Which strategy will I focus on next time?
