

EXHIBIT 4.6. College Jigsaw

- 1.** You can go to college after you graduate from high school.
- 2.** One kind of college is called a community college. You can go to community college for two years.
- 3.** There are four community colleges in the Sacramento area. You can take many different kinds of classes. You can learn how to fix cars, cut hair, fix airplanes, and how to become a police officer. You can also take classes that prepare you to go to a four-year university.
- 4.** You do not have to pay a lot to go to community college. It costs about \$500 every semester. The college gives many scholarships to students. A scholarship means it is free for you to go to the college. You can get a scholarship even if you are undocumented. Being undocumented means you don't have papers.
