

EXHIBIT 3.13. Sacramento Jigsaw

- 1.** Native Americans lived in the area of Sacramento for thousands of years.
- 2.** People found gold near Sacramento in 1848. Thousands of people came to Sacramento to try to find gold.
- 3.** Sacramento is on the American and Sacramento rivers. The city flooded several times in the downtown area. Because of all the water, they brought in a lot of dirt to raise the level of downtown. Now, there is an old downtown area underneath the newer buildings.
- 4.** Sacramento is the capital of the state of California. The Governor of the state lives here. Sacramento has a professional basketball team called the Sacramento Kings. The city also has a professional soccer team called The Sacramento Republic Football Club. There is a minor league baseball team in the nearby city of West Sacramento.
