

## EXHIBIT 4.13. Natural Disasters Information

Name \_\_\_\_\_ Date \_\_\_\_\_

Floods, earthquakes, hurricanes and tornadoes are called \_\_\_\_\_.

A lot of water can go into buildings during a \_\_\_\_\_. The ground shakes during an \_\_\_\_\_. It is very windy during \_\_\_\_\_ and \_\_\_\_\_.

Tell about a natural disaster you were in. If you weren't in a natural disaster, tell about a time you were in a bad storm. When did it happen? Who was with you? What did you see? How did you feel?
