

## **EXHIBIT 5.5. Book Review Trailer**

You will prepare a short “trailer” about your favorite book that you read this year. It will be recorded and posted on YouTube and will be used next year to help students find good books.

Your book review trailer must include:

- Book title and author
- A brief summary of the book (you want to make someone interested in the book without giving away the good parts!)
- Give two specific reasons why you liked this book and explain why someone else should read it

Remember—a trailer is like a commercial—you are trying to “sell” this book to someone. Be convincing and support your opinions with specific reasons. You will need to show the book while you are talking about it. Be creative and *practice, practice, practice!*
